

SEATTLE JEWISH COMMUNITY SCHOOL

Physical Education Purpose Statement
Granville Emerson, Physical Education Teacher

The Seattle Jewish Community School recognizes the need for Physical Education and provides opportunities for students to learn, grow, and develop in the areas of movement skills, fitness (energy) education, and teamwork. Paramount to our physical education environment is good sportsmanship through dereh eretz, mutual respect, positive language, and proper behavior among students. SJCS provides a safe learning environment and uses a diverse array of sports games, tumbling exercises, dance, fitness, and other related activities to provide a well-rounded physical education curriculum.

Statement of Sportsmanship:

The goal of the Seattle Jewish Community School is to provide a safe and positive play, athletic, and educational environment through dereh eretz, mutual respect, positive language, and proper behavior among students. SJCS views good sportsmanship as a top priority for students engaged in physical education and recess activities at the school. Students, parents, staff, and participants will work together to maintain good sportsmanship during all activities.
